The instant petition has been filed seeking issuance of a direction to the trial Court to expedite the proceedings and to dispose of the application for discharge of the petitioner as the said application was stated to be pending since 25.1.2021.

Before proceeding to pass any order in this case, this Court deems it appropriate that a status report be called from the trial Court concerned. As such, the Registry is directed to requisition a status report from the trial Court concerned in respect of application for discharge. The Presiding Officer concerned shall
